## PRICING REFERENCE GUIDE

As a consignor, you choose how to price your items. This guide was created for the purpose of providing a starting point and reference if needed. Not all items you sell will be on this list. We have found Ebay to be a helpful resource in helping to determine how much to price your items. You can also visit the manufacturers websites to determine approximate retail value if you are unsure what you originally paid.

**Consider this a great opportunity to clean out your closets! Do not let your time and energy go to waste by not selling everything you put in the sale. We want you to put moolah in your pocket and not have to take your items home. Price it to sell it!**

Remember, this guide is for your reference. You are NOT required to price your items according to this list. Pricing is your decision. **A great consignment rule of thumb is 25 - 40% of what you paid for the item** (depending on the brand name and condition of item). BOUTIQUE ITEMS (i.e Kissui items, Matilda Jane, custom clothing) should be priced 30 - 40% of original price and will displayed separately from other consigned clothing.

**\*\*CONSIGNOR'S GOLDEN RULE: Don't sell it if you wouldn't buy it!\*\***
